Time: 9:00 AM – 6:00 PM

Where:

Carolinus College of Health Sciences, Rankin Education Center, CMC Campus (1200 Blythe Blvd., Charlotte 28203)

Healing Touch Program Description:

A course of study toward a certificate of completion in Healing Touch (HT) which incorporates a variety of basic to advanced healing modalities. The program is sequenced in 6 levels allowing participants to move from beginner to advanced practitioner, expert and instructor. Certification as a Healing Touch Practitioner and Instructor is available on application following completion of course work and additional requirements.

Level 3 Description:

Level 3 teaches the "art" of being a healer. This class is for students who desire more in-depth skills in Healing Touch and have successfully completed Level 1 and Level 2. This course includes: development of Higher Sense Perception (HSP), advanced sequencing of healing techniques, working with guidance, self-healing and self-development.

Target Audience:

Healing Touch is a nursing based continuing education program for registered nurses, physicians, body therapists, counselors, psychotherapists, other health professionals, and individuals desiring an in-depth understanding and practice of healing work using energy-based concepts.

Workshop Objectives:

- Share your experiences using Healing Touch Level 1 and 2 techniques.
- Learn advanced development of the healer practices and how using them will positively affect your life and practice.
- Experience healing from three perspectives: practitioner, client, and observer/coach.
- Learn of new energetic points within the physical body where the haric body, core star, tan tien, soul seat and point of individuation are located in the body, and why this is important to you as a healer.
- Demonstrate a full healing sequence using new techniques, including: Chelation, Spinal Cleansing and working at the 5th, 6th, and 7th levels of the subtle body.
- Discuss and practice connecting with universal energy and working with guidance
- Practice intuitive skills using Etheric Template Clearing
- Learn the Lymphatic Drain, a technique critical in energetically assisting the lymph system in relieving congestion and generalized soreness and aches. This technique is recommended for certain immune system disorders and with cancer patients.
