GENERAL INFORMATION

History: Carolinas College of Health Science's roots date back to the early 1940's when hospital-based education was offered at Charlotte Memorial Hospital. In the early 1990's, the college was incorporated as an owned subsidiary of the Charlotte Memorial Hospital Authority, a quasi-public entity. Today it operates as a multi-program, regionally accredited college supporting the nursing and allied health workforce needs of the greater Charlotte-Mecklenburg area.

Academic Programs:

- Associate of Applied Science degree in Nursing and Radiologic Technology
- Diploma in Surgical Technology and Pre-Nursing
- Diploma in Paramedic, Certificate in Emergency Medical Services-Basic
- Clinical education certificate in Medical Technology
- Certificate in Phlebotomy and Nurse Aide I and II
- Single course offerings in general and continuing education
- Basic and Advanced life support training

Accreditation:

- Commission on Colleges of the Southern Association of Colleges and Schools (SACS) to award the Associate in Applied Science degree
- Commission on Accreditation of Allied Health Education Programs (CAAHEP)
- Joint Review Committee on Education in Radiologic Technology (JRCERT)
- National Accrediting Agency for Clinical Laboratory Sciences (NAACLS)
- National League for Nursing Accrediting Commission (NLNAC)

Approval:

- North Carolina Board of Nursing (Nursing Program/Nurse Aide II)
- North Carolina Division of Facility Services (Nurse Aide I)
- American Heart Association (Life Support Education)
- North Carolina Office of Emergency Medical Services
- North Carolina State Approving Agency for Veterans Benefits

Student population:

- Recent high school graduates
- College graduates
- Adults in career transition

Alumni: Carolinas College of Health Sciences recognizes alumni from each of the former hospital-based programs that are part of the current College structure including Medical Technology, Nursing, Radiologic Technology, and Surgical Technology. There are just over 3,000 alumni in the College's rich history.

GENERAL INFORMATION (cont.)

Computing Facilities: The extensive wireless network on campus allows for access throughout the College. There are two open-access computer labs available for student use with extended hours in the evenings and on weekends.

Library: The Area Health Education Center (AHEC) Library and Information Resource Center located on the campus of Carolinas Medical Center provides comprehensive information and library services to students and faculty from the Carolinas College of Health Sciences. The library's collection includes over 6,000 books, 800 current print journal titles and 1,500 audio visual materials. Updated course syllabi and textbooks are kept in the library for students. The library is wireless and provides a computer lab, AV viewing rooms, study rooms, and a conference room for use by students and faculty. All students and faculty of the College are provided access to the AHEC Digital Library (ADL). This provides access to 1,000+ full text e-journals, more than 100 e-books, and databases such as Medline, Cinahl, Cochrane, and Stat-Ref. The ADL is available from any computer with internet access, either on or off campus.
