

Carolinas College of Health Sciences

**ADDENDUM**

2006-2007 Catalog

Last Update: 12/06

**The mission statement and goals** (page 8) are revised as printed below:

The mission of Carolinas College of Health Sciences is to educate future healthcare providers by integrating theoretical concepts with clinical experiences. In partnership with Carolinas Healthcare System, the college focuses on preparing individuals for employment in general and specialized healthcare fields for the Charlotte metropolitan area.

The College is committed to:

- 1) maintaining a structure that supports the College's mission, guides future development, provides resources, and integrates the College into the community;
- 2) providing resources and services to promote a learning environment that facilitates student success;
- 3) striving for excellence in educating entry-level and specialized practitioners to be competent in providing healthcare services in a variety of settings.

**Nursing Philosophy** (page 78) is updated with the following additions:

Paragraph 4: "Nursing is a scholarly profession with its own body of knowledge supported and communicated through research and informatics."

Paragraph 6: "Nurses practice within a professional code of ethics, nurse practice acts, and established standards of care and quality improvement processes."
